## Capability Statement

### Summary

JAMS is a premier information technology partner to the Department of Defense, small and medium businesses and organizations. JAMS specializes in enabling businesses with information technology of tomorrow “today” so they compete and win in global marketplace. Our services are organized in four areas: Information Technology Solutions, Communications, Web Site Hosting & Development and Project Management. Our clients praise our work, customer service and innovative solutions.

As a Service-Disabled Veteran-Owned (SDVO) Small Business with 8(a) certification, JAMS is committed to excellence and creating innovative and flexible solutions for all our clients.

What sets JAMS apart from the competition?

- \* Our People
- \* Customer Based Focus
